How to keep your kids  
[and grandkids] safe online

- What do we need to know to keep our loved ones safe?
- What can we do with that knowledge?
- What are the 7 top tips to ensure they are safe?
- Where are the places young people hang out online?
- Why do they spend so much time on the computer anyway?
- Some valuable stories [good and bad].
- Some statistics.
- Additional free resource [101 Internet Safety Tips For Kids—available as a free download]
- Time for Q and A
